Donation - \$2.00

Trees and large shrubs

- Acacia dealbata* - silver wattle (yellow)
A. melanoxylon - blackwood (pale yellow)
A. retinodes - wirilda (native on Flinders Island) (yellow)
A. sophorae - coast wattle (yellow)
A. verticillata - prickly moses (yellow)
Allocasuarina littoralis - bull-oak (female red)
Banksia marginata - silver banksia (yellow)
Bursaria spinosa - prickly box (white)
Eucalyptus amygdalina - black peppermint (white)
 - TASMANIAN ENDEMIC
E. ovata - swamp gum (white)
E. viminalis - white gum (cream)
Exocarpos cupressiformis - native cherry (white)
Genista monspessulana - montpellier broom (introduced)
 (yellow)
Hakea teretifolia - dagger hakea (white)
Leptomeria drupacea - currant bush (white)
Leptospermum laevigatum - coastal tea-tree (white)
L. scoparium - manuka (white tinged with pink)
Melaleuca gibbosa - slender honey-myrtle (pinkish purple)
M. squarrosa - scented paperbark (cream)
Psoralea pinnata - blue butterfly bush (introduced) (blue)
Solanum laciniatum - kangaroo apple (purple)

- Yellow-rumped Thornbill
 Yellow Wattlebird
 Little Wattlebird
 Yellow-throated Honeyeater
 Black-headed Honeyeater
 Crescent Honeyeater
 New Holland Honeyeater
 Tawny-crowned Honeyeater
 Eastern Spinebill
 Golden Whistler
 Grey Shrike-thrush
 Grey Fantail
m Black-faced Cuckoo-shrike
m Dusky Woodswallow
 Grey Butcherbird
 Grey Currawong
 Forest Raven
 Richard's Pipit
 House Sparrow
 European Greenfinch
 European Goldfinch
 Welcome Swallow
m Tree Martin
 Silvereye
 Common Blackbird
 Common Starling

Compiled by Peter Duckworth 27 January 2002

TASMANIAN ENDEMIC
 -Grows naturally only in Tasmania

A list of birds that have been seen or may occur in the Bridport Wildflower Reserve

- * Evening or night-time
- @ Passing over
- m Migratory

- Brown Quail
- * White-faced Heron
- * White-bellied Sea-eagle
- Swamp Harrier
- Brown Goshawk
- Collared Sparrowhawk
- * Wedge-tailed Eagle
- Brown Falcon
- Australian Hobby
- Tasmanian Native Hen
- Masked Lapwing
- * Pacific Gull
- * Silver Gull
- Common Bronzewing
- Brush Bronzewing
- Yellow-tailed Black Cockatoo
- Green Rosella
- m Pallid Cuckoo
- m Fan-tailed Cuckoo
- m Horsfield's Bronze-cuckoo
- m Shining Bronze-cuckoo
- @ Southern Boobook
- @ Tawny Frogmouth
- Laughing Kookaburra
- Superb Fairy-wren
- Spotted Pardalote
- m Striated Pardalote
- Brown Thornbill

Low shrubs and flowering herbs

- Acacia myrtifolia* - myrtle wattle (yellow)
- A. suaveolens* - sweet wattle (pale yellow)
- A. terminalis* - sunshine wattle (cream to gold)
- A. ulicifolia* - juniper wattle (golden)
- A. verticillata* var. *ovoidea* - prickly moses (yellow)
- Acaena novae-zelandiae* - buzzy (green or purplish)
- Allocasuarina monilifera* - necklace she-oak (light brown)
- TASMANIAN ENDEMIC
- Amperea xiphoclada* - broom spurge
- Anagallis arvensis* - pimpernel (introduced) (red)
- Aotus recedes* - golden pea (golden)
- Arctotheca calendula* - capeweed (introduced) (yellow)
- Astroloma humifusum* - native cranberry (red)
- Baeckea ramosissima* - rosy heath-myrtle (pink)
- Bossiaea cinerea* - showy bossiaea (yellow)
- B. prostrata* - creeping bossiaea (yellow & dark red)
- Brachyscome* sp. - daisy (white or blue)
- Carpobrotus* sp. - pigface (yellow or mauve)
- Cassinia aculeata* - dolly bush (creamy white)
- Cassytha glabella* - slender dodder-laurel (greenish white)
- C. melantha* - large dodder-laurel (greenish white)
- C. pubescens* - downy dodder-laurel (white)
- Centaurium erythraea* - common centaury (introduced) (pink)
- Chrysanthemoides monilifera*
- var *monilifera* - boneseed (introduced) (yellow)
- Clematis microphylla* - small-leaf clematis (greenish white)
- Comesperma calymega* - spike milkwort (purple)
- C. ericinum* - heathy milkwort (purple)
- C. volubile* - blue love creeper (blue)
- Crassula decumbens* - creeping crassula (white)
- Dillwynia glaberrima* - smooth parrot-pea
- (yellow streaked with purple)
- D. sericea* - showy parrot-pea (yellow)
- Drosera macrantha* - climbing sundew (white or pink)
- D. peltata* subsp. *auriculata* - tall sundew (white)
- D. pygmaea* - dwarf sundew (white)

Low shrubs and flowering herbs

- Epacris impressa* - common heath (white, pink or red)
E. lanuginosa - woolly-style heath (white)
E. obtusifolia - blunt-leaf heath (white)
Erodium moschatum - musk storksbill (introduced) (pink mauve)
Galium australe - tangled bedstraw (white)
Geranium potentilloides - mountain geranium (white)
Glycine clandestina - twining glycine (purple or pink)
Gompholobium huegelii - bladder pea (pale yellow)
Gonocarpus micranthus - creeping raspwort
G. tetragynus - common raspwort
Goodenia lanata - native primrose (yellow)
G. humilis - swamp goodenia (yellow)
Helichrysum scorpioides - curling everlasting (white)
Hibbertia acicularis - prickly guinea-flower (yellow)
H. procumbens - spreading guinea-flower (yellow)
H. prostrata - bundled guinea-flower
H. riparia - erect guinea-flower (yellow)
H. sericea - silky guinea-flower (yellow)
Hovea linearis - common hovea (purple)
Hydrocotyle muscosa - mossy pennywort (green)
Hypochoeris glabra - smooth cat's ear (introduced) (yellow)
Indigofera australis - native indigo (purple)
Kennedia prostrata - running postman (red)
Leptorhynchos squamatus - scaly buttons (yellow)
Leucopogon australis - spike beard-heath (white)
L. ericoides - pink beard-heath (pink)
L. parviflorus - coast beard-heath (white)
L. virgatus - common beard-heath (white)
Lobelia alata - angled lobelia (blue lilac)
Muehlenbeckia adpressa - climbing lignum (greenish)
Myriophyllum salsugineum - brackish water-milfoil (greenish)
Olearia lirata - snow daisy-bush (white, purple or pink)
O. ramulosa - twiggy daisy-bush (white)
Oxalis corniculata - yellow wood sorrel (introduced) (yellow)
Pelargonium australe - Austral storksbill (white)
Persoonia juniperina
 var. *juniperina* - prickly geebung (yellow)

Notes:

Orchids

- Caladenia carnea* - pink fingers (pink)
C. clavigera - clubbed spider orchid (red & yellow)
C. gracilis - musky caladenia (pale pink - darker tips)
C. latifolia - pink fairies (pink)
Cryptostylis subulata - large tongue orchid (yellow, green & red)
Cyrtostylis reinforces - small gnat orchid
 (red-brown or green-brown)
Dipodium roseum - pink hyacinth orchid
Diuris orientis - eastern wallflower diuris (yellow)
Eriochilus cucullatus - pink autumn orchid (pink)
Glossodia major - wax-lip orchid (purple)
Hydorchis orbicularis - swamp onion-orchid
Microtidium atratum - yellow onion-orchid
Microtis parviflora - slender onion orchid (green)
Prasophyllum apoxychilum - tapered leek orchid (green)
 -TASMANIAN ENDEMIC (endangered)
P. austral - austral leek orchid (green)
Pterostylis plumosa - bearded greenhood (green)
Pyrorchis nigricans - fire orchid (white with red stripes, dark tip)
Spiranthes australis - pink spiral orchid (pink)
Thelymitra antennifera - rabbit ears (yellow)
T. aristata - great sun orchid (blue mauve)
T. flexuosa - twisted sun orchid (cream or pale yellow)
T. juncifolia - large-spotted sun orchid (blue with spots)
T. nuda - plain sun orchid (pale blue mauve or pink)
T. pauciflora - slender sun orchid (mauve blue pink or white)
T. rubra - pink sun orchid (pink to reddish)

Ferns & fern allies

- Gleichenia dicarpa* - pouched coral-fern
Lindsaea linearis - screw fern
Ophioglossum lusitanicum
 subsp. *coriaceum* - austral adder's tongue
Pteridium esculentum - bracken
Selaginella gracillima - tiny selaginella
S. uliginosa - swamp selaginella

Low shrubs and flowering herbs

- Pimelea glauca* - smooth rice-flower (creamy white)
P. humilis - dwarf rice-flower (creamy white)
P. linifolia - slender rice-flower (white)
Platylobium formosum - handsome flat-pea (yellow)
P. obtusangulum - common flat-pea (yellow)
P. triangulare - ivy flat-pea (yellow)
Pomoderris apetala - dogwood
Poranthera microphylla - small poranthera (white or pale pink)
Pultenaea daphnoides - native daphne (yellow)
P. dentata - clustered bush-pea (yellow)
P. sericea - chaffy bush-pea (yellow)
P. tenuifolia - slender bush-pea (yellow)
Rhytidosporum procumbens - mary's flower (white)
Ricinocarpos pinifolius - wedding bush (cream)
Scaevola hookeri - creeping fan-flower (blueish purple)
Senecio glomeratus - annual fireweed (yellow)
S. odoratus - scented groundsel (yellow)
S. squarrosus - leafy fireweed (yellow)
Sonchus oleraceus - common sow-thistle (introduced) (yellow)
Sphaerolobium minus - globe pea (yellow)
Sprengelia incarnata - pink swamp-heath (pink)
Stackhousia monogyna - creamy candles (cream)
Stylidium beaugleholei - blushing triggerplant
S. graminifolium - common triggerplant (purple)
S. perpusillum - tiny triggerplant
Styphelia adscendens - golden heath (yellow)
Tetradlea labillardierei - black-eyed susan (purple)
T. pilosa - hairy pink-bells (purple)
Villarsia exaltata - erect marsh-flower (rare) (yellow)
V. reniformis - running marsh-flower (yellow)
Vicia sativa - common vetch (introduced) (purple)
Viola cleistogamoides - cryptic violet (white)
V. hederacea - ivy-leaf violet (pale violet & white)
Wahlenbergia gracilentia - annual bluebell (blue)
Xanthosia dissecta - cut-leaf xanthosia (yellowish)
X. pilosa - woolly xanthosia (yellowish)
X. tridentata - hill xanthosia (yellowish)

Grasses, rushes and sedges

- Austrodanthonia* sp. - wallaby grass
Austrostipa rudis australis - austral spear-grass
Baumea acuta - pale twig-sedge
B. juncea - bare twig-sedge
B. arthropphylla - fine twig-sedge
Centrolepis aristata - pointed centrolepis
C. strigosa - hairy centrolepis
Distichlis distichophylla - australian salt-grass
Ehrharta distichophylla - hairy rice-grass
E. stipoides - weeping rice-grass
Empodisma minus - spreading rope-rush
Eurychorda complanata - flat cord-rush
Ficinia nodosa - knobby club rush
Gahnia radula - thatch saw-sedge
Hypolaena fastigiata - tassel rope-rush
Juncus bufonius - toad rush
J. pallidus - pale rush
J. pauciflorus - loose-flower rush
J. planifolius - broad-leaf rush
Lepidosperma concavum - sand sword-sedge
L. gladiatum - coast sword-sedge
L. inops - fan sedge - TASMANIAN ENDEMIC
L. longitudinale - pithy sword-sedge
Leptocarpus tenax - slender twine-rush
Lomandra longifolia - sagg
Luzula flaccida - pale woodrush
Phragmites australis - common reed
Schoenus apogon - common bog-sedge
S. lepidosperma - slender bog-sedge
Themeda triandra - kangaroo grass
Triglochin procerum - water ribbons
Xanthorrhoea arenaria - Sand grass tree
 -TASMANIAN ENDEMIC
X. australis - grass tree
X. bracteata - Shiny grass tree - TASMANIAN ENDEMIC

Lilies and irises

- Bulbine glauca* - bluish leaf bulbine lily (yellow)
Burchardia umbellata - milkmaids (pale pink or white)
Caesia parviflora var. *minor* - smaller grass-lily
 (pale blue or white)
Chamaescilla corymbosa - blue stars (blue)
Dianella revoluta - spreading flax-lily (blue)
D. tasmanica - tasman flax-lily (blue)
Diplarrena moraea - white flag iris (white)
Hypoxis glabella - yellow star (yellow)
H. vaginata - sheathing yellow star (yellow)
Laxmannia orientalis - dwarf wire-lily (white)
Patersonia fragilis - short purple-flag (purple)
P. occidentalis - long purple-flag (purple)
Thelionema umbellatum - cluster lily (white)
Watsonia meriana - wild watsonia (introduced) (orange)
Wurmbea dioica - early nancy (white usually marked with purple)
Xyris operculata - tall yellow eye (yellow)
